### ***Yearly Auditor's report***

Fiscal year closed on 31 December 2014

Dear Madam, Dear Sir,

Pursuant to the mission which was entrusted to us by your liaison bureau, we present our report on the fiscal year closed on 31 December 2014, including:

- The control of the annual statements of the Association, as attached to this report;
- The justification of our appreciations;
- The specific checks and information planned for in the law.

The annual statements were closed by the President. We have to give an opinion on these accounts, based on our audit.

## **1. Opinion on the yearly statements**

We carried out our audit according to the professional rules applicable in France; these rules require the implementation of dispatches in order to obtain the reasonable insurance that the annual statements do not include significant anomalies. An audit consists in examining, by spot checks or by other selection methods, the items justifying the amounts and data contained in these yearly statements. It also consists in appreciating the accounting principles used, the significant estimates retained and the overall presentation of the accounts. We estimate that the collected items are sufficient and suited for giving our opinion.

We certify that the yearly statements are, in accordance with French accounting rules and principles, regular and sincere, and give a faithful idea of the result of the past fiscal year and of the financial situation and assets of the association at the end of this fiscal year.

## 2. Justification of the appreciations

In accordance with the provisions of article L.823-9 of the Commercial Law relating to the justification of our appreciations, we bring the following to your attention:

- Accounting rules and principles

When appreciating the accounting rules and principles used by your association, we checked the suitability of the accounting methods and information provided in the annex and made sure of their correct application.

The appreciations thus given are based on our audit of the yearly accounts, taken as a whole, and thus contributed to shaping our opinion expressed in the first part of this report.

## 3. Specific checks and information

In accordance with the applicable professional standards, we also carried out specific checks planned for in the law.

We have no observation to formulate on the sincerity and consistency with the annual statements of the information given in the President's activity report and in the documents addressed to the members on the financial situation and the yearly statements.

## **A – MAJOR FACTS OF THE FISCAL YEAR**

### **1 – MAIN EVENTS OF THE FISCAL YEAR**

No significant event occurred during the fiscal year from an economic and accounting viewpoint.

We will note the continuation of the "VBA-INBO" project, funded by the European Union for the implementation of the action entitled: "Capacity Building of the Volta Basin Authority for implementing priority activities of the 2010-2014 Strategic Plan - Improvement of regional water resources management and sustainable development in the basin". In order to have it completed, INBO signed, on 8 October 2012, with the International Office for Water, a framework agreement for the nonprofit secondment of personnel.

The annual INBO Liaison Bureau meeting was held from 12 to 15 November 2014 in Bucharest (Romania).

In 2014, INBO organized (contributed to):

- On 9 and 10 April: the Second Workshop "River Basin Commissions and Other Joint Bodies for Transboundary Water Co-operation: Technical Aspects" in Geneva (Switzerland),
- On 28 and 29 April: the third meeting of OECD Water Governance Initiatives, in Madrid (Spain),
- From 7 to 9 May: the 3rd "International Forum on Integrated Water Management: Tools for Action" in Quebec (Canada),
