European Group of Basin Organizations EUROPE-INBO

**INVITATION**

## 12th International Conference

### “EUROPE-INBO 2014”

ON THE IMPLEMENTATION OF THE WATER FRAMEWORK DIRECTIVE

12-15 November 2014 - Bucharest, Romania.

**RAMADA MAJESTIC BUCHAREST HOTEL**

Dear Colleagues, Dear Friends,

I would like to remind you that the next and 12th “EUROPE-INBO 2014” international conference, organized by the “Group of European Basin Organizations for the Implementation of the European Water Framework Directive – WFD”, will take place, at the invitation of the Romanian Authorities:

on 12-15 November 2014,  
in Bucharest, Romania.

Our meeting, within the new context drawn by the European Commission “Blueprint”, will be organized around a **preparatory workshop** and **4 roundtables** dealing with the updated issues of the field Implementation of the EU-WFD and other European water-related Directives.

We shall especially study the means for better integration of the processes, new measures to cope with the main challenges that are non-point source pollution, hydro-morphology, adaptation to climate change, prevention of droughts and floods, the need to get the stakeholders more involved in the implementation of these measures in the field, etc.

**A preparatory workshop will take place on 12 November in the afternoon, dealing with River Restoration and Natural Water Retention Measures.**

It will aim to exchange on the practices used by the various Member States, to highlight the multiple benefits of these approaches, and to prepare recommendations on the way of implementing them. They will be presented at a plenary session the following day; this workshop is organized with the support of the European Centre for River Restoration (ECRR) and of the National Agency for Water and Aquatic Environments (ONEMA, France) ; this work will be published later on.

**Roundtable 1: Preparation of WFD 2nd Management Plans (2016 - 2021):** Integration of water quantity issues; Adaptation to climate change; Better integration with other EU Directives (Flood and Marine Strategy) and with other sectoral policies...

**Roundtable 2: Natural Water Retention Measures / River restoration:** Presentation of workshop results; Guidance documents developed within the CIS...

**Roundtable 3: Implementation and funding of Programmes of Measures:** Mobilization of funds and especially access to EU Structural Funds; Principle of cost recovery; Economic analysis for cost-effective combination of measures...

**Roundtable 4: Water governance in Transboundary Basins:** WFD International Districts; Role and means of International Commissions; Bi and Multilateral Agreements and Conventions, Implementation of WFD principles and tools in EU Neighbouring Countries.

**You are invited to present a paper on your practical experiments.**

There will be simultaneous translation into English, French and Romanian.

**A technical visit will be organized around Bucharest, on Saturday 15 November in the morning.**

This year, under the **Preparatory Process of Europe Region for the 7th World Water Forum in Korea** (April 2015), a workshop will also be organized on **12 November in the morning** on the topics of **the implementation of the European Directives** and of **transboundary water resources management**.

This workshop will be the occasion to prepare the papers and messages to be presented at the sessions, which will be organized during the 7th Forum within the European preparatory process.

In order to allow for a broader participation of representatives from the Caucasus, Ukraine and Belarus, **there will be simultaneous translation into Russian.**

Our "EUROPE-INBO 2014" meeting is open to all INBO member organizations and observers, and also to the water administrations and organizations, interested in the implementation of the Water Framework Directive, and its "Daughter and related Directives" of the member and candidate countries of the European Union and of all the other countries of Eastern Europe, the Balkans, Caucasus and Central Asia and of the Mediterranean basin.

**Registration to the "EUROPE-INBO 2014" conference is free of charge but compulsory. You will find [here](#) the form necessary for your registration.**
