Organizations

IFC Regional Committee
Pdt: Ms. Park – VP: Mr. Bernard

- Coordinates RP
- Informs IFC
- Supports regio. Coordinators

America
AWF+?

Asia
APF + ?

Europe
French lead + ?

Africa
AMCOW+AfWA
+AfDB ?

- Manage regio CfP
- Support subregio. Platforms
- Identify cross-continental issues

- N. America
- S. America

- SE Asia
- NE Asia
- S. Asia
- Pacific
- CACENA

- Northern
- Eastern
- Southern
- ...

- SSA
- MENA
- ...

- Implement multi-stakeholder proc. by Target
- Report outcomes

Cross-continental Targets may result in additional regions (e.g. water scarcity discussed at Mediterranean level)

European Process,

- The geographic framework:

The European process

for the preparation of the Forum concerns:

- the European Union, Norway and swiss,
- the Balkans,
- Eastern Europe,
- the Caucasus,
- Russian Federation...

*in general all countries adhering
to the UNECE Convention of 1992.*

- Central Asia, when concern....

European Process,

European Process,

- To facilitate the European process of the WWF6, we have created:
a “coordination consortium”,
in which we invited the key European networks concerned to participate and play an active role....

European Process, Brussels 21 DECEMBER 2010

Specific Europe Region Priority Targets and Solutions Groups

1-Improve transboundary cooperation in Europe:

- Implementation of the UNECE 1992 “Helsinki” Water Convention on transboundary rivers
- specificity of the implementation of the European Water Framework Directive in International Districts

2-Achieve a good ecological status of European water bodies by 2015

- Full implementation of the European Water framework Directive and its daughter Directives on groundwater, marine water and flood management.

3-Adapt to long term water challenges linked to Climate Change and prevent extreme phenomena:

- Prevention and management of flood risk,
- Prevention and management of water scarcity and drought risk,
- demand management, non conventional resources...
- Measures for adaptation to the effects of Climate Change, such as green infrastructures ...,

Specific Europe Region Priority Targets and Solutions Groups

4-Reform the European Common Agricultural Policy and better balance policy between the goals of food security and of sustainable water management :

- irrigation, demand management,
- diffuse pollution,
- discharges of industrial breeding farms,
- inland fish farming,
- sustainable agricultural techniques,
- Water Footprints, virtual water and transfers,

5-Promote better coordination between transport and water policies in relation with inland navigation in Europe:

6-Better coordinate the water and sustainable energy policies:

- hydropower,
- cooling of nuclear and thermal power plants,
- micro-power plants,
- energy saving in collective irrigation,
- energy saving in drinking water supply and sanitation networks ...

Specific Europe Region Priority Targets and Solutions Groups

7-Improve European drinking Water and sanitation services:

- 7-1 Give access to the drinking water and sanitation services for the European underprivileged populations,
- 7-2 Better manage drinking water supply and sanitation utilities in Europe promote “public-private” partnerships, socially acceptable water pricing, industrial and commercial management, etc...

6-Develop new knowledge and know how on rivers hydro-morphology, restoration and protection of water ecosystems :

- Promote integration of aquatic ecosystems conservation in land planning and other territorial policies,
- share experiences on the best local implementation of restoration measure,
- Reinforce public education on water ecosystems and resources preservation and restoration,
- improve the link between tourism development and quality of water ecosystems,

Specific Europe Region Priority Targets and Solutions Groups

9-Reinforce competences of water professionals and public awareness:

- Professional training in water (basic and continuing training) and
- Education of youth, grand public, communication,

10-Promote technology innovation, “Science - policy” interface and dialogue between researchers and water managers:

11-Adapt Water management to the specificities of European outermost Regions, the case of European “Islands - basins”,

12-Develop European cooperation with Third Countries in the water field:

- better coordinate cooperation initiative between the European actors,
- Increase the human and financial means for cooperation programmes,
- Reinforce the neighbouring cooperation of the EU with the Balkans, EECCA and the Mediterranean,

Europe Region: Next regional preparatory events

At present, 4 regional events have been organized:

**1 – Central and Eastern Europe and the Balkans:
(Bulgaria - Plovdiv, (20 - 23 March 2011),**

**2 - The International Istanbul Water Forum
(Turkey - Istanbul, from 03 to 05 May 2011),**

**3- Central Asia
(Tashkent - Uzbekistan, 10-12 May 2011),
By the Central Asia specific transcontinental process Coordinator,**

**4 – Euro-Mediterranean countries
(Porto, 27-30 September 2011)**

Plovdiv, BULGARIE

ISTANBUL INTERNATIONAL FORUM 2011

**TASHKENT
OUZBEKISTAN**

International Network Of Basin Organizations

UN Pan – European Ministerial Conference. ASTANA September 2011 “Save water, grow green”

Europe Region: Next regional preparatory events

3 more meetings are being under preparation in order to cover:

4 – The European Outermost Regions

La Guadeloupe – On 6 and 7 October 2010

**5 – Caucasus: the meeting is being under preparation,
Georgia – on 14 and 15 November 2010,
with REC Caucasus**

6 - The Russian Federation

**Moscow, on 29, 30 November or 1st December 2010,
(To be confirm by the Federal Ministry of Natural Resources
Water Department),**

**A Synthesis meeting would be organized
by the European Parliament Intergroup for Water
Mid – January 2012 in Brussels - Belgium**

Europe Region: Next regional preparatory events

“European process” side events or communications during:

- The conference « Futures of European Waters », from 23 to 25 Mars 2011 in Budapest - Hungary,
- The Working Group on IWRM of the UNECE Water Convention, 4-5 May 2011 in Geneva, Switzerland,
- The Stockholm Water Week, 21 – 27 August 2011, in Sweden,
- Seventh UNECE Ministerial Conference «Environment for Europe» Astana, Kazakhstan, 21-23 September 2011,
- The Amsterdam Water Week, 29 October - 4 November 2011,
- **Other official meetings organized within the European Union Presidency by the governments of Hungary, Poland and Denmark, as past, actual and next EU President until the WWF6 2012.**
